

Leveraging Learning for Regional Development: An International Forum

June 24 - June 27, 2008

Lakehead University, Thunder Bay, Ontario Campus

Lakehead University in collaboration with Confederation College welcomes you to 'Leveraging Learning for Regional Development: An International Forum.' Delegates from around the world will come to exchange ideas and knowledge about innovative learning and training practices that promote local and regional socio-economic development.

This international conference is open to any businesses, organizations and individuals interested in lifelong learning and community development. The conference is of particular interest and value to regional and local organizations with responsibilities and interests in leveraging learning for economic and social development.
